EnerGXpert offers closer look at energy bills — and perhaps savings

Denver Business Journal - by [Cathy Proctor](#)

Knowing when energy savings equipment will pay off requires knowing how much energy is used — and when — in the first place.

Denver-based **PowerTakeoff** LLC, doing business as **EnerGXpert**, aims to offer more in-depth information about a business' energy use than does the monthly bill from **Xcel Energy Inc.**

...Read the full article here:
